J. H. L. Distanced All Competitors
and Breaks the Record.

The Floral Hall a Thing of Beauty
and Joy Forever—Immense
Attendance.

Thursday was in many respects one of the greatest days in the history of the Blue Ribbon Fair. The attendance was generally guessed at about 6,000, and the large amphitheater all the afternoon was a sea of faces. The ladies were out in large numbers and enlivened the day by their presence and smiles. The candidates, too, took advantage of the gathering and were busy handing their cards to the voters and watching the movements of their opponents.

Coming home on the train a beautiful and stylishly dressed young lady attracted no little attention by having pinned on her dress the cards of her favorite candidates.

All walks yesterday led towards the Floral Hall, which was thrown open to visitors, and the building was a perfect jam during the afternoon. The display is well arranged and this is a splendid place to spend a half hour.

Some fast gaiters were generally expected in the speed rings, and the crowd was not disappointed.

Sternberg's 2:15 1/2 trot was good enough, but J. H. L. in the free-for-all pace created a decided sensation by distancing Strong Boy, who was a favorite, the first heat, and shutting out the two remaining competitors in the second go. J. H. L. paced the first heat in 2:09 1/2 and his driver slowed up near the wire. Many thought he could have gone under the wire several seconds faster. The second heat J. H. L. paced without a break all the way around the track and came under the wire under slight touches of the whip in 2:08 1/2. The crowd yelled with delight when the judges hung out the time, and men threw their hats and women their handkerchiefs into the air. This is the fastest time ever made on this track and within four and a half seconds of the best record ever made on any track. Which was a remarkable performance when it is considered that the track was heavy and dusty and a strong breeze blowing all the time.
